Update 20: At 21:17 ET on 13 February 2022, new information was received. Ambassador Bridge intends to open for full operation this evening, 13 February 2022, from 23:00 ET. This means that US and Canada processing at both Points of Entry will be occurring. This has been confirmed by Canada Border Services Agency (CBSA) as well as United States Customs and Border Protection (US-CBP). Police have secured the Huron Church Road corridor to and from the Ambassador Bridge and have also indicated that the roadways to the bridge should be safe and secure to open the Ambassador this evening. Law enforcement presence and patrols will remain high in the area for the next foreseeable future. Estimates are that police will remain very visible in the area for up to three (3) weeks. Local road restrictions and barricades will also remain in place until further notice. The bridge opens for international commerce tonight at 23:00 ET. (Source: Transport Canada - ISSO)
